

THE LEADING NAME IN ELECTRICAL SOLUTIONS

ABOUT US WHO WE ARE

Founded In 2009, Which Is One of The Well-Known and Most Active Company In The Field Of Electrical Engineering That supplied and performed a huge number of important projects successfully over all Iraq's area

WHY CHOOSE US

- *Having An Organizing and Modern Factory*
- *Having Professional Engineers*
- *Working With Multiple International Agents and Organizations*
- *Strong Ability of Implementing*
- *Main Partner of NIK Company For*
- *A Strong Distributor Of Poles*

OUR GOAL

Twanist Professional staff are always ready to offer help in Electrical Materials Supply and installation projects, in addition Twanist as general Trading company can provide various market needs for our clients

AGENTS:

Our company has strongly business relationship with all Asian and European countries which are active in Iraq, such as France, Turkey, Egypt, China, South Korea and So on,

FACTORY

Twanist Company has a big factory in Erbil city, the factory is special for making distribution panels in different types, such as making distribution boards and transformer kiosks, and also we have best experience in assembling transformers with different types and different sizes.

INFO@TWANIST.COM

Twanist company for electrical contracting and General Trading

Founded In 2009, Well-Known and highly active Company in The Field of Electrical Engineering that supplied and executed large number of important projects successfully all over Iraq regions .

Officially registered in KRG and Iraq Twanist proudly plays an important role in building and improving the electrical infrastructure in Iraq .

Twanist and in corporation with DEN Company has completed several previous projects with Iraq , KRG Governments and other NGOs and runs a capital office located in Erbil city in addition to big Warehouse and workshop for various electrical equipment (Transformers , RMUs , Switchgear , Poles and towers , Cables and Conductors , Circuit breakers and control devices. etc.) , in corporation with DEN company .

Twanist Professional staff are always ready to offer help in Electrical Materials Supply and installation projects , in addition Twanist as general Trading company can provide various market needs for our clients .

**Photos from Twanist
Company Warehouse
in Erbil .**

Twanist company is an ISO 9001 Certified organization and always assure to meet highest quality and management international standards within the field of engineering and construction projects .

Applying all the professional modern management methods and highly maintaining communication line with high work ethics always helps our employees improve and meet our clients' expectations at the same time .

our skilled and experienced personnel are highly proactive and adaptable and always ready to offer their support .

Our Partners

Twanist company has strong business relationship with various international electrical equipment manufacturer , including but not limited to :

- Schneider Electric 
- Siemens 
- NIK-Electronica (Ukraine) 
- Kontrolmatik Teknoloji (Turkey) 
- Transfomax (Turkey) 
- Astor (Turkey) 
- HASÇELİK KABLO 
- Pamukkale Kablo (Turkey) 
- Megger Group (UK) 
- Fluke Corporation (USA) 
- Raychem (USA) 

In addition to other local and international electrical manufacturers .

Our Products and services

We offer our services in wide range of electrical equipment supply and installation from different international high-quality origins which all meet the technical standards of Iraq and KRG MOE including the following but not limited to :

➤ 33/11KV Electrical Substation with Power transformers MV Switchgear and all accessories.

Twanist company has already completed several projects with our respected client Iraq Ministry of Electricity for manufacturing and supplying mobile substations in corporation with **Schneider electric** , Kontrolmatik technologies and Astor Turkish companies including supplying and installation of power transformers and all required control and protection accessories as seen in the photos below .

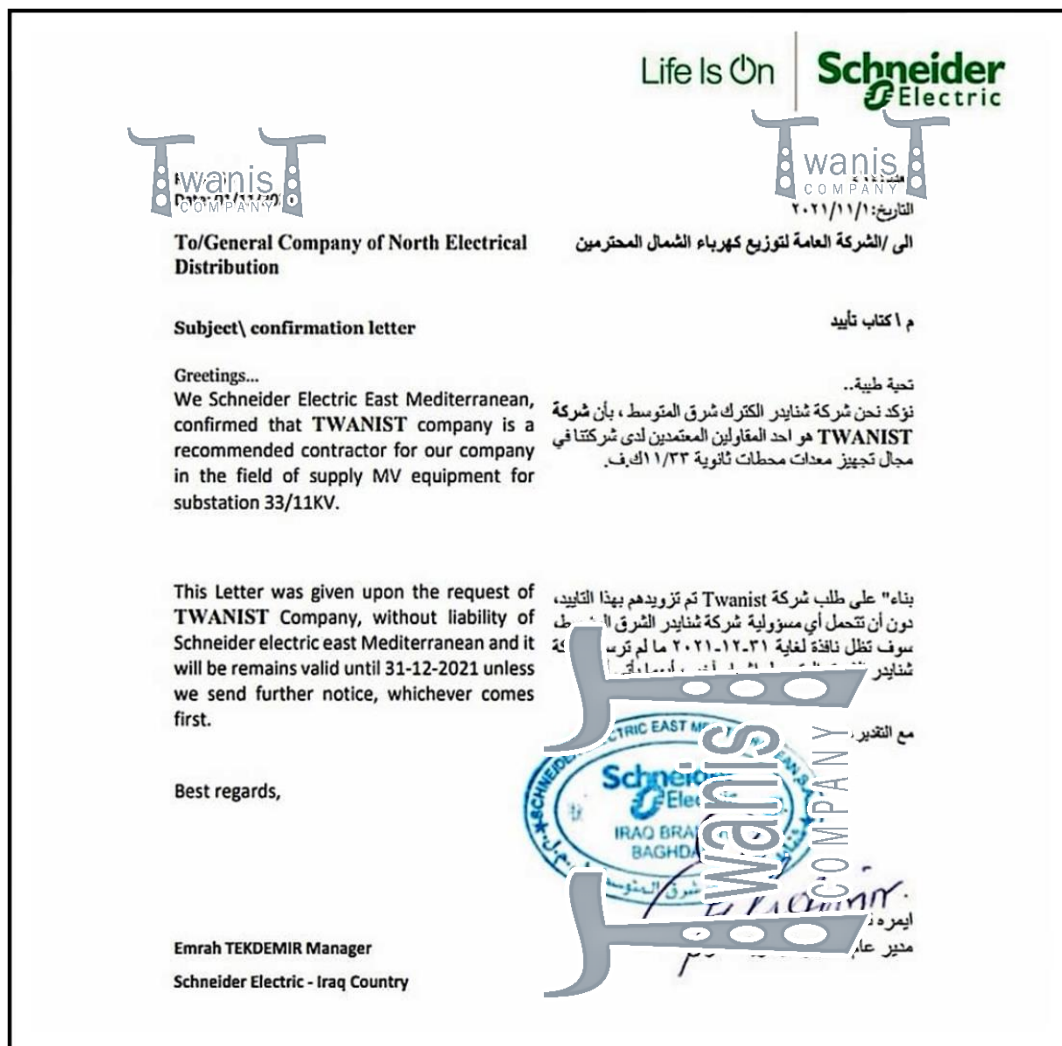

➤ Manufacturing of 15 E-house for Middle Euphrate
Electricity Distribution Ministry of Electricity Iraq
Project Number :25/2021.

Twanist Company has wide experience a recommended and supported contractor for **Schneider Electric** in the field of 33/11KV Substation and worked together along with Iraq MOE in several projects (mentioned at the completed projects list at the end of this document) to deliver high quality solutions to support and extend the electrical grid in Iraq .

Official Recommendation letter from Schneider Electric

➤ MV/LV Power Distribution networks and equipment

we have wide range of power distribution equipment from top upstream to downstream consumers level including :

- Distribution transformers and kiosk units

All sizes of 33/0.4KV and 11/0.4KV with different KVAs and according to Iraq and KRG specifications , Twanist has already a lot of completed projects for supply and installation of Kiosk Transformer units for our clients in KRG MOE and Private sector companies in Erbil , Sulaymaniyah and other KRG provinces .

- **Transmission lines poles , towers and accessories .**

Different types of transmission line poles and towers with all accessories 400KV , 132KV , 33KV and 11KV in addition to LV and Lighting poles of all types and according to Iraq and KRG technical Specifications available from high quality manufacturers and origins .

- **MCC , Distribution boards and control Panels .**

Wide range of Distribution boards and control panels including all type of ACBs , MCCBs , MCBs , Control and Protection relays in addition to motor starters and controllers from Schneider Electric .

➤ **MV & LV cables and conductors .**

Wide range of MV and LV copper / Aluminum cable and conductors were supplied to our clients in previous projects with Iraq and KRG MOEs and other private sector companies , Twanist company is a recommended contractor for several cables and conductors manufacturers companies in Turkey , Iran , Saudi Arabia , Jordan and other high quality origins around the world .

Reference Project :

- Contract (13 / 2021) with North distribution public company (Iraq MOE) for Supplying 40KM of 1*400mm 33KV Copper Cable .
- Contract (15 / 2021) with North distribution public company (Iraq MOE) for Supplying 1000KM of 120/20 ACSR Conductor .

➤ Measuring , Testing and safety equipment

Wide range of various HV and LV testing , measuring and calibration electrical devises from well-known international manufacturers Like Megger , Fluke , Omicron , KEP , Globcore ...etc. .

Automatic Transformer Oil Degassing Unit 6000 Ltr/H Testers from Globcore .

Fluke Clamp meter

Fluke GEO Earth Ground testers

Megger Transformer and substation test system

Megger UHF Partial Discharge Detector

Megger CAT IV Insulation testers

Reference Project :

- Contract (P/AM007-21) with UNDP for Supply of Testing Devices and Maintenance Tools to Directorate of Highest Euphrates Electricity Distribution -Haditha City - Anbar Governorate – Iraq.

➤ Power measuring devices and smart meters

Twanist company is an exclusive authorized supplier for **NIK** well Known Ukrainian smart meters Manufacturer and we have large number of completed projects in KRG and Iraq .

Twanist company and in Corporation with DEN company and NIK Ukrainian company completed several projects for different types smart meters supply , installation programming and operation in KRG and Iraq including the following but not limited to :

Project name	Number of Meters in Service	Location	Notes
Zaniyari Tower	450	Erbil	In Service since 2019
Life Tower	500	Erbil	In Service since 2020
Naz City	750	Erbil	In Service since 2020
Mamostyan Zone-1-	1200	Erbil	In Service since 2017
Mamostyan Zone-2-	800	Erbil	In Service since 2017
4-Towers Project	100	Erbil	In Service since 2021
Hawri Farman-baran	1250	Sulaymaniyah	In Service since 2020
Zhyan City Phase-1-	300	Erbil	In Service since 2020

➤ Lighting system components

Various types of high-quality lighting systems , lighting poles and luminaires are available .

➤ Lightning protection systems

Up to date international class I, II, III and IV lightening protection systems including all components are available .

➤ Earthing system components

All components of earthing and grounding systems are available including copper rods , copper conductors , clamps , copper earthing cables .

➤ Solar system components

Modern solar systems solutions including solar panels with steel structure supply and installation in addition to all DC-AC panels with all controllers and accessories .

➤ Low current systems like CCTV , fire alarm systems
...etc.

Achievements

Twanist and since it was founded in 2009 and in corporation with DEN company managed to accomplish a lot of projects which was supplied/executed with high quality and within time and budget including but not limited to the following reference projects :

#	Project Name	Beneficiary	Cost (\$)	Date
1	Supply of electrical network materials (transformer, pole and cable) for Al-Shuhada'a city in Chamchamal district, Sulaimaniah.	MOE - KRG	1,041,500.00	2010
2	Supplying electrical materials.	General directorate of electricity of Erbil - MOE - KRG	155,468.00	2010
3	installation and connection of electrical network and invest under the name of engineers group.	Darin Group	214,000.00	2010
4	Supplying electrical materials for Family mall - Erbil.	Darin group	848,000.00	2010
5	installation of electrical network for Smaqli sub-district in Koisanjaq district, Erbil.	Directorate of electricity of Koya - MOE - KRG	745,833.00	2010
6	Supplying electrical network materials for residential project in Chamchamal district, Sulaimaniah.	Kazaw company	1,041,666.00	2010
7	Supplying electrical network materials for residential Chamchamal district, Sulaimaniah.	General directorate of electricity of Sulaimaniah - MOE - KRG	933,333.00	2011
8	Supply of cables 33kV and transformer for 400 bed-Hospital project in Sulaimaniah.	Kazaw company	445,000.00	2011
9	supplying electrical network materials for Hasarok Qr. in Erbil.	General directorate of electricity of Erbil - MOE - KRG	776,666.00	2011
10	installation and connection of high voltage and low voltage electricity network for Erbil Stores.	Erbil governorate	787,500.00	2011
11	Supply and installation of electrical network for Farmanbaran Quarter in Erbil.	General directorate of electricity of Erbil - MOE - KRG	619,366.00	2011
12	Supply of circuit breakers of low voltage line and safety materials.	Rawanduz company	215,833.00	2011
13	supply and installation of electrical network for 4 villages in Zakho district, Duhok.	General directorate of electricity Duhok - MOE - KRG	178,833.00	2011
14	Supply and installation of electrical network and laying of underground cable for Ganjan city in Erbil.	Koma company	425,000.00	2011
15	Supply and installation of electrical network and laying of underground cable for Ashty city 1 in Erbil.	Iskan company + Erbil Investment board	628,000.00	2011
16	Communicate both voltage types for industry in Sulaimaniah.	General directorate of electricity - MOE - KRG	623,333.00	2011
17	Supply electrical materials for Al-Shimal poultry project - 1 in Erbil.	Shimal Group	128,000.00	2011

18	Supply electrical materials for Al-Shimal poultry project - 2 in Erbil.	Shimal Group	325,000.00	2012
19	Installing 11Kv Feeder and laying underground cable for Bahar-Shammk in Erbil.	General directorate of electricity of Erbil - MOE - KRG	360,000.00	2012
20	Installing 11Kv Feeder and laying underground cable for Naseej station in Erbil.	General directorate of electricity of Erbil - MOE - KRG	1,118,333.00	2012
21	Supply of high voltage cable and transformer for Malik Mahmood project in Sulaimania.	General directorate of electricity of Sulaimaniah - MOE - KRG	537,500.00	2012
22	Providing electricity network for Gulan and Sharawani Qrs.	General directorate of electricity of Erbil - MOE - KRG	712,000.00	2012
23	Supply and installation of electrical network for Ashty city 2 in Erbil.	Iskan company + Erbil Investment board	683,790.00	2013
24	Supply and installation of electrical network for (Nerjin and Segrdtkan) villages.	Rawko company + Erbil governorate	295,160.00	2013
25	Installation of transformers and laying underground cable for Pank project in Erbil.	Pank group + Erbil Investment board	1,840,000.00	2013
26	Installation of transformers and laying underground cable for Ashty city 2 project in Erbil.	Iskan company + Erbil Investment board	707,680.00	2013
27	Installation of transformers and laying underground cable for Ganjan city project in Erbil.	Happy land company	583,000.00	2013
28	Supply, Installation and burying water network for Mamostayan city in Erbil.	Rasan company + Erbil investment board	387,000.00	2013
29	Installing transformer and types of underground cable for Mamostayan city project in Erbil.	Rasan company	232,000.00	2013
30	Installation of transformers and laying underground cable for Sayran city project in Erbil.	Koya company	215,000.00	2013
31	Providing electricity materials for Haibat Sultan project in Koisanjaq district, Erbil.	General directorate of electricity of Erbil - MOE - KRG	481,774.00	2013
32	Providing electricity materials for Zanko Village in Erbil.	General directorate of electricity of Erbil - MOE - KRG	814,581.00	2013
33	Installing transformer and types of underground cable for bank project in Erbil.	Erbil governorate	378,780.00	2013
34	Repairing of electricity network and transformer in Koisanjaq district, Erbil.	Directorate of electricity of Koya-MOE-KRG	352,721.00	2013
35	Decoration project of 100m street in Erbil.	General directorate of electricity of Erbil - MOE - KRG	1,289,283.00	2014
36	Supply and installation of electrical network materials for Erbil governorate building.	Erbil governorate	541,661.00	2014
37	Installing 11 kV feeder underground cable in Soran District, Erbil.	General directorate of electricity of Erbil - MOE - KRG	1,789,571.00	2014
38	Installing 11 kV feeder underground cable for mobile station in Erbil.	Erbil governorate	1,800,960.00	2014
39	Providing transformer kiosk (33/0.4 kV) for Ganjan city project in Erbil.	Erbil governorate	1,213,000.00	2014
40	Providing electricity materials for directorate of electricity of Shaqlawa.	Directorate of electricity of Shaqlawa-MOE-KRG	289,583.00	2014
41	Providing different types of cables and kiosk transformer for Mosul governorate.	Mosul governorate	4,999,956.00	2014
42	Providing different types of cables and kiosk transformer for residential project in Mosul governorate.	Mosul governorate	1,380,000.00	2014
43	Supply and installation of electrical network for Lana city in Erbil.	Aryo company	1,456,000.00	2015

44	Supply and installation of electrical network for Awena city in Erbil.	Awena company	1,260,000.00	2015
45	Supply and installation of electrical network for Future city in Erbil.	Khoshnaw group	312,000.00	2015
46	Supply and laying of underground cable for Chwarchra Quarter in Sulaimaniah, Feeder 33 KV.	Sulaimaniah governorate	687,700.00	2015
47	Supply and laying of underground cable for Chwarchra Quarter in Sulaimaniah, Boards and Kiosks.	Sulaimaniah governorate	587,600.00	2015
48	Supply materials and installation multiple types of underground cable for Korean-village in Erbil.	Erbil governorate	3,150,000.00	2015
49	Supply of materials, construction and installation of infra-structure (electrical network, water network, internet network and laying underground cable 33 KV) for Zhyan Quarter project in Erbil.	Rihab compay + Erbil governorate + Erbil investment board	2,100,000.00	2015
50	Supply and laying of underground cable for Darwazay shar city project in Erbil.	Darwaza company	1,661,000.00	2015
51	Supply, installation of high voltage line and laying underground cable for Noor city in Kirkuk.	Kirmanj company	806,940.00	2015
52	Supply and laying underground cable for Korean village in Erbil.	Erbil governorate	3,150,000.00	2018
53	Supply, installation of high voltage line and transformers for Mamostayan city in Erbil.	Rasan company	3,700,000.00	2017-2018
54	Rehabilitation of power network for Sharqat-Tikrit water project with maintenance and operation of water pumps.	UNDP	126,000.00	2019
55	Supply and implementation of electrical network for New Shaqlawa Quarter in Shaqlawa district, Erbil.	MOE/ KRG	1,375,000.00	2019
56	Construction and installation of infra-structure (electrical network, lighting, water network, Sanitary and installation of water boosters) for Korean village project in Erbil.	Mild-Greece company + Erbil governorate	3,565,000.00	2014-2019
57	Supply and Installation Smart Meters [LIFE TOWER]	Erbil	70,000 \$	2019
58	Supply of distribution network (different poles).	World bank + MOE Iraq	1,998,630.00	2020
59	Supplying of Poles for Anbar and Ninawa 9m & 11m.	Emergency Operation for Development Project	1,998,100.00	2021 - Feb.
60	Supply and Installation of Daik-City 2.5MVA , 11KV power plant in Sulaimaniah	Sulaimaniah Investment Board-KRG	1,400,000,000 IQD	Jan. - 2021
61	Rehabilitation of Al-Nassaf electrical network in Falluja-Al-Nassaf District-Falluja City-Anbar Governorate	UNDP	396,285.00	May - 2021
62	Rehabilitation of Jubail and Al-Shuhada electrical network in Falluja-Falluja City-Anbar Governorate	UNDP	340,526.00	May - 2021
63	Supply of various electrical poles .	MOE IRAQ/ General Company of Middle Electricity Distribution	4,900,000,000 IQD	Sept. - 2021
64	Supply of various electrical poles .	MOE IRAQ/ General Company of Middle Electricity Distribution	3,255,000,000 IQD	Sept. - 2021
65	Supply of testing devices and maintenance tools to directorate of highest Euphrates electricity distribution - Haditha city - Anbar governorate - Iraq.	UNDP	998,449.00 \$	Nov. - 2021
66	Supply and Installation Smart Meters [GANJAN CITY]	Erbil	350,000 \$	2021
67	Rehabilitation of solar ground water irrigation pumping systems in the regained areas (Implementation and Supply	FAO	335,215.69 \$	Apr - 2022
68	Rehabilitation of Jubail and Al-Shuhada electrical network in Falluja-Falluja City-Anbar Governorate	UNDP	340,526.00 \$	Apr - 2022

69	Supplying of mobile sub-station 33/11KV, 31.5 MVA Rated (9 No.)	MOE IRAQ/ General Company of Middle Electricity Distribution	12,420,000,000 IQD	Jun - 2022
70	Supply and Testing Protection equipment and various connection boxes.	MOE IRAQ/ General Company of Middle Electricity Distribution	3,115,500,000 IQD	Feb - 2022
71	Manufacture and supply mobile substation (E-House) 33/11KV (No. 15)	MOE IRAQ/ General Company of Middle Electricity Distribution	3,720,000,000 IQD	Oct - 2022
72	Supply materials and spare parts for the technical workshop of electricity directorate-Diyala Governorate, Iraq.	UNDP	331,170.00 \$	Aug - 2022
73	Installation of elect. Network and 11kv transformers for Peshmerga forces in Qarachog mountain / Makhmoor.	KRG MOE .	3,123,220,150 IQD	Aug - 2022
74	New Twanist Factory - Kiosk Transformers and Electrical Panelboard Production and implantation 13,644m2 area	Twanist Company	-----	Jan - 2022
75	Supplying of ACSR conductor 120/20mm2, Quantity 1000Km	MOE IRAQ/ General Company of North Electricity Distribution	2,150,000,000IQD	Mar - 2022
76	Supplying 33KV copper cable (1*400mm2), Quantity 40Km	MOE IRAQ/ General Company of North Electricity Distribution	2,960,000,000 IQD	Apr - 2022
77	Provision of mechanical and electrical works for Baharka hospital in response to COVID-19 pandemic-Erbil governorate	UNDP	835,388.00 \$	Nov - 2022
78	Supply and testing Lattice poles 9m Qty (13000 pcs)	MOE IRAQ/ General Company of Middle Electricity Distribution	10,502,650,000 IQD	2022
79	Supplying and install of 16MVA Transformer for Sidakan Substation	KRG - MOE	389,000,000 IQD	Nov – 2022
80	Supplying Medium voltage Cable 1×400 mm2 Qty: 65Km	Iraq MOE / North	5,193,500,000 IQD	Nov – 2022
81	Supplying ACSR Conductor with Cross Section of (120/20 mm2) and (210/35 mm2) for Iraq MOE	Iraq MOE / North	4,390,000,000	Des - 2022
82	Supplying 11Kv 3×150mm2, and 33Kv 1×400mm2 Cable	Iraq MOE / North	2,260,000,000 IQD	2022
83	Supply AIS 11 KV SS CON. (1011/2022)	Iraq MOE-NET	684,000,000 IQD	Dec-2022
84	Supply equipment for secondary substation 2×31.5 MVA, 33/11 Kv , Qty : 2 without power transformer ,CON.(40/2022)	Iraq MOE / North	1,990,000,000 IQD	Sep - 2022
85	Supply of 33/11 Kv Mobile Substations for Iraq MOE, Qty: 7 , Con.(84/2022)	Iraq MOE / Middle	13,825,000,000 IQD	Aug-2022
86	Supply equipment for secondary substation 2×31.5 MVA, 33/11 Kv, Qty: 2 without power transformer, Ninawa, Con.(61/2022)	Iraq MOE / North	2,847,600,000 IQD	Oct-2022
87	Supply equipment for secondary substation 2×31.5 MVA, 33/11 Kv, Qty: 2 without power transformer, Salah al-din,Con.(60/2022)	Iraq MOE / North	2,995,000,000 IQD	Oct-2022
88	Mosul University substation	UNDP	306,000 \$	Feb - 2023
89	Supplying 400A distribution Boards for Transformer Qty: 1000	MOE IRAQ/ Middle	900,000,000 IQD	2023
90	Supply of 167 Boards for Zanyary Tower	Zanyary	66,000,000 IQD	2023
91	Supplying 33/11 Kv Substation for Korek chal , Kirkuk	Iraq MOE / North	592,000 \$	2023
92	Supply Kiosk 1000 KVA 11/0.416 KV QTY 25 , Con.(31/2023)	Iraq MOE-Euphrates	1,750,000,000 IQD	2023
93	Supply 33/11 Kv, 2×31.5 MVA Substations, Qty: 2 , Con.(2/2023)	Iraq MOE / Kirkuk	2,995,000,000 IQD	Jan-2023
94	Supply E-house 33/11 KV 31.5 MVA (4-Outgoing feeders) without transformers QTY 3 , Con(26/2023)	Iraq MOE-Euphrates	1,110,000,000 IQD	2023

✓ **All certifications will be provided Upon Request .**

Twanist on-going Projects.

#	PROJECT NAME	CONTRACT NO.	STARTING DATE	WORKING COMPLETION %	OUTSTANDING CONTRACT VALUE	BENEFICIARY SIDE
1	Supply and install and commission 33/11 Kv, 2×31.5 MVA /3 Substations	13/2023	May-2023	30%	15,100,000,000 IQD	MOE/General Company of Middle Euphrates Electricity Distribution
